

This is a text-only copy of the poster provided to advertise the web site for West Moors Parish Council.

The parish council website: a gateway to your community.

At the head of the index page is a gallery composite of images of places in West Moors.

Underneath this is the main index with the following categories:

Home: the top-level page for the entire site, also the place where the Council will place important information and links to routine newsletters.

Council Information: See who is on the Council ... find out what is being discussed ... planning applications ... how the precept is spent ... Council owned facilities, e.g., Fryer Field, The Pavilion, The Cemetery etc., and ... some history notes relating to West Moors.

Community Information: Find information on: doctors, dentists, opticians, chemists, schools, the Library and other essential services ... links to clubs / societies serving the community ... a summary of bus and railway services, including combined bus departure times ... emergency, support and advice services ... churches ... notes describing the layout and background history of West Moors – both its ‘built’ environment and its Natural History etc.

Plus ... a Diary of events here in West Moors!!
